MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Personnel

1. Responsive to your memorandum of 5 August 1955 with respect to on-duty strength, I desire not to cut this Staff. We have been maintaining the same ceiling position as originally inherited over a year ago, and have not been fully manned under this ceiling.

2. The fact that Incentive Awards had a T/O of two people and now have five simply recognizes the condition under which the Director of Personnel was operating, i.e., an average of three people assigned from the IAS.
